

## PLATINUM MASTERCARD®

### EMV CHIP CREDIT CARD

Sporting a very attractive introductory APR on all purchases and card balance transfers, Texhillco's Platinum card will be there for you when you need it. After the introductory period has gone away, our regular rates are still very attractive making your debts disappear in a short period of time and improving your monthly cash flow. We encourage our members to transfer higher interest rate cards to their Texhillco card and build card equity as quickly as possible.

## MasterCard Debit Card with EMV

Your debit card is connected to your checking account. Keep your PIN safe, you can change it if need be by phone or by calling your credit union.

fraud program to protect you and your credit union. There are also limits to how much you can purchase or get in cash from ATM's during a 24 hour period, these can be adjusted to accommodate your purchasing needs. Debit cards are "Chip" enabled.

## I-Pay Bill Paying Service

From our website or from your cell phone you can pay your bills. Pay a bill one time or set up a recurring payment. Why take a chance on a bill being lost or forgotten; plus save on the expense! **I-Pay** is FREE!

## LOANS

Our loan rates are very competitive! We offer the same rate for **new or used vehicles** with discounts for having an active checking account with us and automatic payment, like payroll deduction! Ask if we can refinance your existing vehicle for a lower rate or payment! We also offer **recreational vehicle loans** for boats, RV's, trailers, and ATV's. If a **line of credit** is helpful we also offer those. If you, your

child or your grandchild is in need of additional **funds for college**, we offer loans through our **Student Choice** program.
