

Are you eligible for membership at CommStar Credit Union?

Many people think only employees of a certain company or industry can be a member of a credit union... But did you know CommStar Credit Union is a *community credit union*? That means membership is open to anyone who:

- Lives in Lorain County
- Works in Lorain County
- Worships in Lorain County
- Attends school in Lorain County

Additional membership eligibility includes:

- Employees of a company participating in CommStar's CU@Work program
- Immediate family members of existing CommStar Credit Union members

What membership eligibility option should I select?

You may qualify for membership through a variety of criteria! Pick just one of the options that applies to you to verify your membership eligibility.

I work for an establishment that participates in CU@Work

We are proud to partner with many companies, cities and other local establishments for our CU@Work program. CU@Work offers many great benefits to the employees of participating establishments. If you qualify, please select the *CU@Work* option. A Member Service Representative will follow up with you once your application is complete to collect some additional information to help you take advantage of this program's benefits.

I was given a member referral program card by a friend or family member

If you were given a member referral program card by a friend or a family member, make sure you select the *Member Referral* option when verifying your eligibility. Disregard any other criteria you qualify for. A Member Service Representative will follow up with you once your application is complete to verify the member referral and get you on the road to your reward!
