NOTICE OF ARBITRATION PROVISION

This Membership Handbook / Membership and Account Agreement contains an Arbitration Provision which provides that you or the Credit Union may elect to have all disputes resolved by **BINDING ARBITRATION INSTEAD OF IN COURT**.

You should read the Arbitration Provision in the agreement below carefully. It provides, among other terms:

You **GIVE UP YOUR RIGHT TO GO TO COURT** to assert or defend your rights under this Agreement (**EXCEPT** for matters that may be taken to **SMALL CLAIMS COURT**).

Your rights will be determined by a **NEUTRAL ARBITRATOR** and **NOT** a judge or jury.

You are entitled to a **FAIR HEARING, BUT** the arbitration procedures are **SIMPLER AND MORE LIMITED THAN RULES APPLICABLE IN COURT**. Arbitrator decisions are as enforceable as any court order and are subject to **VERY LIMITED REVIEW BY A COURT**.

YOU MAY NOT PARTICIPATE AS A CLASS REPRESENTATIVE OR MEMBER IN ARBITRATION OR IN ANY OTHER CONSOLIDATED PROCEEDING.

ARBITRATION / WAIVER OF CLASS ACTION

Arbitration Provision – This Arbitration Provision applies to disputes arising from your deposit account relationships with Frankenmuth Credit Union and/or any other matters arising from or related to your membership in or relationship with the credit union, other than claims brought by us specifically arising from your status as a borrower under any loan agreement with the credit union or due to your overdrawn account(s).

You or the credit union may elect to have any claim resolved by binding arbitration before a neutral arbitrator instead of in court. The term “claim” means any past, present or future claim or dispute, in law, equity or otherwise involving your deposit account relationship with the credit union or your membership in the credit union. It includes any claim, dispute or controversy concerning any fees or charges relating to any deposit account and any services relating to any deposit account, including, without limitation, safe deposit box services, wire transfer services, online or telephone banking services, automated teller machine services and debit card services. It includes not only any claim, dispute or controversy directly between you and the credit union, but also any matter with respect to anyone connected with you or claiming through you, such as a joint account holder, account beneficiary, trustee, guardian or other representative or agent. The term “claim” includes initial claims, counterclaims, cross claims and third-party claims. It includes disputes based upon contract, tort, consumer rights, fraud and other intentional torts, constitution, statute, regulation, ordinance, common law and equity, including any claim for injunctive or declaratory relief.

The term “claim” also includes disputes about the validity, enforceability, coverage or scope of this Arbitration Provision,

including, without limitation, the Class Action Waiver set forth below. The term “claim” specifically excludes any claim or dispute brought by us arising from your status as a borrower under any loan agreement with the credit union or due to your overdrawn account(s). Furthermore, nothing in this Arbitration Provision limits or constrains any right to self-help remedies, such as the right to set-off or the right to restrain funds in a deposit account, the right or obligation to interplead funds in the event of a dispute, the right to exercise any security interest or lien in property, any obligation to comply with legal process, or right to obtain provisional remedies with respect to funds or property.

You and the credit union retain the right to seek individual relief in small claims court so long as the claim is only in the small claims court and is within the jurisdiction of the small claims court. Pursuing a claim in small claims court does not waive any right to arbitration with respect to claims outside of the jurisdiction of the small claims court, or if the claim is transferred, removed or appealed from the small claims court to a different court.

Arbitrations will be conducted by the American Arbitration Association (“AAA”) in accordance with its Consumer Arbitration Rules. You can find the Consumer Arbitration Rules at www.adr.org. If the AAA is not available, you and the credit union will select another arbitration provider agreeable to both parties. The Arbitration hearing will be conducted before a single arbitrator in a location reasonably convenient to your place of residence, or another location if required by the rules of AAA or other agreed upon arbitration provider. If you and the credit union agree, the arbitration may be conducted by telephone. You will pay an administrative fee and arbitrator’s fees. The amount of the fee you must pay will be determined by the amount of the claim that you file, and will be capped by AAA. The credit union will be responsible for administrative fees and arbitrator’s fees in

excess of these capped amounts. You and the credit union will each be responsible for paying your own attorney's fees, witness fees and experts' expenses, except as otherwise required by law or this Arbitration Provision.

The arbitration award must be a written, reasoned opinion. The arbitrator's decision will be final and binding on you and the credit union, except for (1) a limited right to appeal as permitted under the Federal Arbitration Act and (2) any award of \$100,000 or more may be appealed to a three (3) arbitrator panel selected in accordance with AAA Rules. Any award must be kept confidential.

Before you initiate an arbitration, you agree to provide the Credit Union with written notice at 580 N. Main Street, Frankenmuth, MI 48734 (or any changed address that we have provided to you in writing), and give the credit union a reasonable opportunity to resolve your claim. Your notice must provide your name, your account number, a description of your claim including the dollar amount, and describe any information that you require from the credit union.

Before the credit union initiates an arbitration, we will provide you with written notice at your address as shown on our records and give you a reasonable opportunity to resolve our claim. The credit union's notice must describe the credit union's claim including the dollar amount. You and the credit union each have 30 days from receipt of notice to resolve the claim before commencing arbitration.

This Arbitration Provision is governed by the Federal Arbitration Act, 9 USC 1, et seq. and not by any state arbitration law. The arbitrator must apply substantive law consistent with the Act and applicable statutes of limitations and claims of privilege recognized at law. In addition to the Act, this Arbitration Provision is governed by other Federal law. To the extent Federal law does not apply, the law of the State of Michigan will apply. The arbitrator is authorized to award all remedies permitted by the

substantive law that would apply if the action were pending in court.

CLASS ACTION WAIVER. OTHER THAN AS EXPRESSLY PROVIDED IN THE ARBITRATION PROVISION ABOVE, YOU AND THE CREDIT UNION AGREE THAT ONLY AN ARBITRATOR MAY RESOLVE CLAIMS. YOU AGREE NOT TO BRING OR PARTICIPATE AS A CLASS REPRESENTATIVE OR A CLASS MEMBER IN ANY CLASS ACTION IN ARBITRATION OR IN ANY OTHER CONSOLIDATED PROCEEDING. ANY CLAIM BETWEEN YOU AND THE CREDIT UNION MUST BE RESOLVED ON AN INDIVIDUAL BASIS. ARBITRATION IS NOT AVAILABLE AND WILL NOT BE CONDUCTED ON A CLASS-WIDE BASIS.

If any portion of this Arbitration Provision is deemed invalid or unenforceable, it shall not invalidate the remaining portions of this Arbitration Provision, provided that such remaining portions are not then material inconsistent with the terms of this Arbitration Provision prior to such determination.

This Arbitration Provision shall survive the termination or closing of the deposit account or related services; any changes to the deposit account or related services; any legal proceeding; any use of the right of set-off, exercise of statutory lien or other self-help remedy; any transfer or assignment of the deposit account; and any bankruptcy or any party (to the extent consistent with applicable bankruptcy law).

Like most Frankenmuth Credit Union investment accounts, the money deposited into a Certificate of Deposit is fully insured.* This means you will never lose any of your principal investment. FCU has Certificates of Deposit (or CDs) for 3, 6, 9, 12, 18, 24, 36, 48 or 60 month terms for investments as small as \$500 and up. It's a great way to save for something special.

Frankenmuth Credit Union often offers special CDs with special rates and terms. Visit frankenmuthcu.org and click specials in the top navigation.

[more information](#)

- Interest is paid monthly on all certificates. Interest may be compounded back into the CD or posted to any other FCU account.
- IRA funds are also eligible to be deposited into CDs. IRA CD interest must be compounded or posted to an IRA account.
- Interest penalties may be assessed on early redemption, withdrawal and for other reasons. A CD can be cashed in early upon death of the CD owner with no penalty.
- In most cases you can open or renew a CD by transferring funds in online banking.
- **BONUS: Member with VIP Gold or higher status receive a .25% higher rate bonus monthly on their CD.**

*Accounts insured up to at least \$250,000 by the NCUA.

FUNDS Availability

Your ability to withdraw funds

This disclosure is provided in compliance with the Federal Expedited Funds Availability Act and Regulation CC. This policy applies to all deposits into transaction accounts held at Frankenmuth Credit Union (FCU). FCU reserves the right to delay the availability of funds deposited to accounts that are not transaction accounts for periods longer than those disclosed in this agreement.

For determining the availability of your deposits, every day is a business day except Saturday, Sunday and federal holidays. If you make a deposit before close of business on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after close of business or on a day we are not open, we will consider the deposit made on the next business day we are open.

Longer Delays May Apply

In some cases, we will not make all of the funds that you deposit by check available to you immediately. Depending on the type of check you deposit, funds may not be available until the business day after the day of your deposit. However, the first \$225.00 of your deposits will be available on the first business day after the day we receive your deposit. If we are not going to make all of the funds from your deposit available immediately, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit. If a member needs the funds from a deposit right away, the member should ask when funds will be available. It is the policy of FCU that funds from any deposits (cash or checks/drafts) made at automated teller machines (ATMs) will not be available until the 2nd business day after the day of a member's deposit.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,525.00 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of communications or computer equipment.

Frankenmuth Credit Union offers you various electronic fund transfer services, made possible by our advanced electronic data processing system. We have also provided, and will provide from time to time, plastic AUTOMATED TELLER (ATM) or Debit MasterCard (which are referred to throughout this disclosure as "ATM/Debit Cards" or simply "Cards") to a certain number of our members. Sometimes two or more persons are furnished such cards relating to a single account in the credit union.

When a secret Personal Identification Number ("PIN") is also provided to a member, the ATM/Debit Card and PIN can be used in any one of a number of AUTOMATED TELLER MACHINES to make "electronic fund transfers." Transfers can be made to, from or between one or more accounts in the credit union. Simply follow the instructions at the machine.

This disclosure is furnished to you as a member of Frankenmuth Credit Union. It meets the requirements of both the federal and Michigan statutes relating to "electronic fund transfers." It also meets the requirements of the regulation (Reg. E) issued by the Federal Reserve Board pursuant to the federal statute, whether such "electronic fund transfers" are made by use of an AUTOMATED TELLER MACHINE or in any other manner. This disclosure is a contract. The terms and conditions set out here are binding on you and on us as to the making of such "electronic fund transfers" and the use of the ATM/Debit Card PINs, in the following cases:

If you use the account(s) covered by this disclosure after receipt of this agreement.

If you already have an ATM/Debit Card and PIN provided by us and you use them to make such transactions after receipt of this agreement.

If you ask us to provide you with a PIN and you thereafter use it, together with an ATM/Debit Card, to make such transactions.

In any such cases, your use of the account(s) or your making of such transactions constitutes your acceptance of the terms and conditions set out in this disclosure.

Although your account(s) may be subject to "electronic fund transfers", and in that regard are subject to the terms and conditions of this disclosure, you may continue to use those account(s) to the same extent and in the same manner that you have in the past, insofar as "over-the-counter" and other non-electronic transactions are concerned.

In this disclosure, 'you' and 'your' include the plural in cases where two or more persons have an interest in a single account affected by an "electronic fund transfers" service. 'We' or 'us' refer to Frankenmuth Credit Union.

THE FOLLOWING SECTIONS RELATE TO ALL "ELECTRONIC FUND TRANSFERS AFFECTING YOUR ACCOUNT(S) WHETHER MADE BY USE OF AN ATM/DEBIT CARD OR OTHERWISE"

1. Accounts Affected: Each of the following types of accounts in the credit union can be subject to some kind of "electronic fund transfer" service: Any Share Account, Share Draft Account.

These types of accounts are sometimes referred to in this disclosure as "asset account(s)" or simply as your "account(s)." You have previously designated which of your account(s) you want to be subject to a particular type of electronic fund transfer service. You may change those instructions in the future, and we will follow your new wishes to the extent our electronic fund transfer programs permit at that time.

2. Account Agreements: The terms and conditions of the account agreements relating to your accounts with us remain in effect except to the extent modified by this disclosure.

3. Minimum Balance: You must always maintain a minimum of \$5.00 in a regular share account to be entitled to make, by use of AUTOMATED TELLER MACHINE or otherwise, "electronic fund transfers" affecting your account(s). We reserve the right to increase minimum balance requirement or to impose other restrictions in the future, but if we do so, we will give you at least 21 days advance written notice.

4. "Electronic Fund Transfer" Services: At the present time, you can authorize the following types of "electronic fund transfers" to or from your asset account(s) in the credit union.

Transfers TO your account(s) (credits):

- Direct deposits from employers who have agreed to send such deposits to us.
- Direct deposit of various governmental benefits.
- Deposits from any third party through the facilities of the Payment Authority (of which we are a member).

We will withdraw the designated funds from your checking account for bill payment by the designated cut-off time on the date scheduled for payment. We will process your bill payment request within a designated number of days before the date you are scheduled for payment. You must allow sufficient time for vendors to process your payment after receiving it from us. If the vendor has the capability, the bill payment will be converted to an Automated Clearing House debit. We cannot guarantee the time that any payment will be credited by the vendor.

- Automatic deduction from your account of premiums for insurance coverage available to our members.
- Automatic transfers from your account(s) to make payments on another person's loan owing to us.

account. (Some networks may not allow all transaction types.)

- Verify balances in specified savings, share draft, or loan account, that you have with us. (Those are not "electronic fund transfers.")

If you use an automated teller machine that is not operated by us, you may be charged a fee by the operator of the machine and/or by an automated transfer network.

Electronic Check Conversion:

A transfer through an automated clearing house when you provide a check to certain merchants or other payees that enables the merchant or other payee to capture the routing, account and serial numbers to initiate the transfer, whether the check is blank, partially completed, or fully completed and signed; whether the check is presented at POS or is mailed to a merchant or other payee or lockbox and later converted to an electronic fund transfer, or whether the check is retained by the consumer, the merchant or other payee, or the payee's financial institution. Your authorization to make such types of electronic fund transfers may be expressed in writing or implied, for example, by the posting of a sign.

When you provide a check and payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction.

When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make/we receive your payment, and you will not receive your check back from us.

Illegal Use:

You understand and agree that you may not use any of our electronic fund transfer services for any illegal purpose.

Point of Sale Transactions:

Your ATM/Debit Card may be used to purchase goods or services from merchants who have arranged to accept ATM/Debit Card as a means of payment. If you have an ATM/Debit Card, it may be used to purchase goods and services from certain merchants. These merchants are collectively referred to as "Participating Merchants" and will display a logo or other symbol which identifies them as a merchant who will accept your ATM/Debit Card.

Purchases made with your ATM/Debit Card, including any purchases where you receive cash back, are referred to as "point of sale transactions" or "POS" transaction. A POS transaction will cause your share draft account to be debited for the amount of the purchase. Only share draft accounts may be used in connection with point of sale transactions performed with your Debit Card.

A PIN will need to be assigned to your account to enable you to use this service. You must use your PIN along with your member number to access your accounts. At the present time you may use the Audio Response system to:

Your accounts can be accessed through the Audio Response system via touch-tone telephone only. This system is available twenty-four hours per day. We may refuse to honor any transaction for which you do not have sufficient available funds. There may be limits on the duration of each access.

5. Excluded Transactions: We have developed an elaborate electronic data processing system which makes it possible to offer you many electronic services. However, some of these services do not constitute "electronic fund transfers" for purpose, of this disclosure. For example, automatic transfers from your account(s) to pay your loan(s) owing to us and automatic transfers between your own asset accounts in the credit union. The terms and conditions of this disclosure only apply to those services and transfers which are "electronic fund transfers" as described in Section 4; they do not apply to other transactions which, although electronic in nature, do not constitute "electronic fund transfers" described in that section.

6. You have the right to affirmatively consent, or opt into, payment of overdrafts for ATM and non-recurring debit card transactions. Such consent does not obligate us to authorize any transactions that would exceed your available account balance or available overdraft protection.

If we agree to authorize any transaction that would exceed your available account balance or available overdraft protection, you agree to pay the overdraft. If you have opted in to the credit union's overdraft service for ATM and non-recurring Debit Card transactions, you also agree to pay overdraft charges in effect from time to time for each transaction which causes your available account balance or available overdraft protection to be

14. Liability for Failure to Make "Electronic Fund Transfers":

If we do not complete an "electronic fund transfer" as described in Section 4, to or from your accounts on time or in the correct amount according to our agreements with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

If, through no fault of ours, you do not have enough money in your account to make the transfer.

If there is not enough money in your account, in excess of amounts you have pledged to us as collateral for a loan, to make the transfer.

If funds in your account are subject to garnishment or other legal process.

If we have, because of your default on a loan, exercised our rights against the funds in a pledged account.

If the transfer would go over the credit limit on your overdraft line.

If the AUTOMATED TELLER MACHINE where you made the transfer did not have cash.

If circumstances beyond our control, such as fire or flood, prevent the transfer, despite reasonable precautions we have taken.

We will also be excused from such liability if you fail to observe the terms of this agreement, or our account agreements with you, which relate to such "electronic fund transfers":

15. Regulator Agency: If you believe that we may have violated the Federal Electronic Fund Transfer Act or its implementing regulation, Regulation E, you may contact

P.O. Box 30224

16. Amendments/Termination: We reserve the right to amend this disclosure (agreement) at any time. If we do so, we will give you such advance notice thereof as we deem to be reasonable under the circumstances; however, in the specific cases mentioned earlier, we will give you at least 21 days advance written notice. We also reserve the right to terminate this disclosure (agreement) by sending a notice of such termination by first class mail to your last known address on our records, which notice shall be effective when mailed.

17. Location of Machines: The number and location of AUTOMATED TELLER MACHINES is, of course, subject to change at any time. Network: Besides being able to use your electronic fund transfer card at ATM terminals you may access your accounts at the following networks: CO-OP Network, NYCE, MAC, Member Access, STAR, Quest and Cirrus.

18. Card Ownership: All ATM/Debit Cards and PINS remain the property of the Credit Union and may be revoked or cancelled at any time without giving you prior notice. You agree not to use your Card for a transaction that would cause your account balance to go below zero. We will not be required to complete any such transaction, but if we do, you agree to pay us the amount of the improper withdrawal, or transfer, upon request.

19. Secrecy of PIN: If we have issued a PIN to you, you agree to keep your PIN secret, and you agree that you will not write the PIN on your ATM/Debit Card or on any item you keep with your card.

20. Limitations on the frequency and amount of ATM and Debit Card transactions: You must always maintain a minimum of \$5.00 in a Regular Share Account to be entitled to make "Electronic Fund Transfers" affecting your account. You may only make 4 transactions during any month without incurring a fee on a non-Frankenmuth Credit Union Automated Teller Machine. Please refer to our fee schedule for the fees associated when more than 4 transactions have been made. You will be limited to a total of five (5) cash withdrawals and transfers combined from ATM terminals each day. You may withdraw/purchase up to \$2,000.00 on any one day, if there are sufficient funds in your account and the system is online. If the ATM and/or Debit Card system is off-line, you may not have access to all available funds in your account. An ATM off-line limit will be no more than \$200.00. A Debit Card off-line limit will be determined by a member's credit standing and past account history. We reserve the right to change these limitations, and we will give you written notice of any such change at least 21 days in advance.

As to transactions other than those made at an AUTOMATED TELLER MACHINE, limits may be imposed depending on the type of account involved. Minimum deposit and withdrawal amounts must be adhered to, as disclosed at account opening. Some such accounts also have a maximum number of allowable withdrawals per month. Charges for violations of amount restrictions and exceeding withdrawal limits are disclosed in the Rate and Fee schedule. We reserve the right to impose any additional restrictions in the future as we deem reasonable, but we will give you at least 21 days advance written notice before doing so.

Electronic Fund Transfer Agreement

21. Crediting of Deposits and Payments: Deposits or payments made in an AUTOMATED TELLER MACHINE whether in cash, check, draft or money order, are subject to verification, and the funds of such deposits and payments to share or share draft accounts may be held until they can be collected from the machine, verified and entered into our accounting systems. Further delay may occur if the transaction is made on or immediately prior to a Saturday, Sunday or holiday on which we are closed. If you place a check, draft or money order in the machine as a deposit or payment, it is subject to collection in accordance with your account agreement with us and Regulation CC.

22. Foreign Transactions: Purchases and cash advances made in foreign countries and foreign currencies will be billed to you in U.S. dollars. The conversion rate to U.S. dollars will be determined in accordance with the operating regulations established by MasterCard. Currently the currency conversion rate used to determine the transaction amount in U.S. dollars is either a government-mandated rate or the wholesale market rate in effect one day prior to the transaction processing date, increased by up to one-percent, along with a cross-border assessment fee of up to one percent. The currency conversion rate used on the processing date may differ from the rate that would have been used on the purchase date or card holder statement posting date. All transactions processed outside of the United States (which may include internet transactions) will be charged a foreign transaction fee in the amount disclosed in the Service Charges and Fees schedule, as amended from time to time.

23(A). Liability for unauthorized use: Tell us AT ONCE if you believe your ATM Card, Debit Card, or PIN has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your maximum overdraft line of credit. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your Card or PIN, and we can prove we could have stopped someone from using your Card or PIN without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

23(B). Special Rules for Debit MasterCard®: You will not be liable for any unauthorized transactions using your MasterCard ATM Debit Card, if you exercised reasonable care in safeguarding the Card from risk of loss or theft and, upon becoming aware of such loss or theft, promptly reported the loss or theft to us.
