

Thank you for your interest in joining Santa Barbara County Federal Credit Union!

Who Can Join

Originally, Santa Barbara County Federal Credit Union was open exclusively to the employees of Santa Barbara County and the districts of the County. Over the last few years (since Prop. 13) we have come to realize that diversification was necessary in order to guarantee the continued strength and stability of the Credit Union.

Today our sponsor companies cover a very wide range of the work force. We have not only county and city (Lompoc and Carpinteria) employees but a large portion of all the medical facilities in the area, retail clerks, Westmont College, realtors, insurance firms, TV stations, radio stations and many more. Our current sponsor list has over 100 different companies representing both North and South county areas. (Please see the detailed list below.)

Family Membership

One of the most valuable things a member can do for his or her family is to sponsor them for Santa Barbara County Federal Credit Union membership. Not only spouses and children can become Santa Barbara County Federal Credit Union members – but also individuals who are members of an “immediate family or household” of a credit union member. Immediate family is defined as spouse, child, sibling, parent, grandparent, or grandchild. This includes stepparents, stepchildren, stepsiblings, and adoptive relationships. Household is defined as persons living in the same residence maintaining a single economic unit.

Once a Member, Always a Member

No matter where one's career or life circumstances lead, a member can remain a member of Santa Barbara County Federal Credit Union unless excluded by provisions outlined in the bylaws.

Even if a member leaves the employment of one of our sponsors or moves away from the area, a member may continue to enjoy the benefits of the credit union.
