

Thank you for your interest in becoming a new member of K-State Federal Credit Union. We are excited to start a financial relationship with you. We believe in our vision of *"It's only banking ... but when done right, with passion, care and love, it's much more than that!"*

Our staff is dedicated to meeting your financial goals and supporting you with anything that you may need. We offer a variety of products and services that can be tailored to fit your needs. We feel that all our products and services are great but that they may not be for everyone. We will sit with you and provide you information so that you can make well informed decisions about your financial future.

After you have completed your online application, we will contact you by either phone or email. We will need to verify certain information that is required by the US Patriot Act. We will need a non-expired, government issued photo id provided and proof of your address if your address is different from what is listed on your identification. If you are submitting an application for a minor child, we will also need the social security card provided.

Please let us know if you have any additional questions before or during the process of becoming a new member. We will be glad to answer any questions that you may have. You may reach us at 785-776-3003 or send an email to info@kstatecu.com. A staff member experienced with opening new accounts will assist you with your questions. We are looking forward to serving you.

Best Regards,

LaRae J. Kraemer
